

Accessibility Services at the University and in the Community

- American Sign Language (ASL)
 - The University provides ALS translation for Convocation and upon request for any other on-campus event. To receive this service, a form requesting ALS interpretation needs to be filled out. This form is available at the following link:
<https://www.uwinnipeg.ca/accessibility-services/booking-form.html>
 - For non-university events, or as needed, contact E-Quality Communication Centre of Excellence (ECCOE) by email at booking@eccoe.ca or phone at 204-926-3271. This service can be used for non-academic or non-university events.
- Video Relay Service (VRS)
 - Although no agency in Winnipeg provides this service, there are some organizations that provide Video Relay Services done through apps and making appointments for Video Relay Interpreting (VRI)
 - Asign-Canadian company- <https://asign.ca/> They have ASL and LSQ (French Sign Language)
 - Convo-American company <https://www.convo.ca/>
 - Sorenson-American company <https://sorenson.com/>
- Deaf/Blind Accessibility Interpreters
 - E-Quality Communication Centre of Excellence (ECCOE) website: <https://www.eccoe.ca/contact-us> and they can be contacted by email at booking@eccoe.ca or phone at 204-926-3271.
 - Resource Centre for Manitobans who are Deaf-Blind: website: <https://rcmdb.org/> They can be contacted by email at rcmdb101@gmail.com or by phone: 204-284-6062
- Note Taking
 - CART services (remote only) website:
<https://www.3playmedia.ca/adwords-live/cart-live-captioning-canada/>

- Other services may also provide similar services using artificial intelligence (AI)
- Assistive listening device
 - While the University does not provide personal listening devices such as hearing Aids or FM systems, some students will have sound receivers placed close to an educator. Educators ought to be receptive to these devices and allow students to place them.
