# DECOLONIAL AND INTERNATIONAL PEDAGOGY: PERSPECTIVES AND PRAXIS. A VIRTUAL ROUNDTABLE

**Moderator: Kerry Sinanan (English)**  
**Kishi Anderson Leachman**  
**(Education)**  
**Flavia Amaral (Classics)**  
**Aria Evans (Theatre and Film)**  
**Aarzo Singh (WGS)**  
**Marcella Siqueira Cassiano**  
**(Criminology)**

This roundtable will share perspectives from International and BIPOC Faculty comparing pedagogic praxis and perspectives that they are bringing from other spaces and places into their classrooms and courses here at the University of Winnipeg. We consider how Decolonial approaches can benefit our Indigenous and International students, and enrich the experiences of domestic students, many of whom will work in education and with communities.
