

Beyond Limits

Canada's Conference for Diversity & Accessibility

October 28
2024

Tickets Now Available!

Living your Best Life at Every Stage

Our goal is to enhance the quality and accessibility of services for all people, at every age and stage in their life. We will explore intersections of age with topics such as culture, communication and community access to ensure that we are supporting children, youth, adults and seniors to live the life that they want.
