As of 2019, the Committee has also reviewed nominations and selected a recipient for the Campus Sustainability Recognition Award, which recognizes meritorious contributions by faculty or support staff to campus sustainability. No nominations were received for the Campus Sustainability Recognition Award in 2024.

Additionally, no nominations were received for the Clarence Atchison Award for Excellence in Community Service, the Robin H. Farquhar Award for Excellence in Contributing to Self- Governance, nor for the Marsha Hanen Award for Creating Excellence in Community Awareness in 2024.

Historically, the Robin H. Farquhar Award for Excellence in Contributing to Self- Governance, the Clifford J. Robson Memorial Award for Teaching Excellence, the Erica and Arnold Rogers Award for Excellence in Research Award and the Stars of Spence Street Prize are awarded at the Spring Convocation ceremony, with the Clarence Atchison Award for Excellence In Community Service and the Marsha Hanen Award for Creating Excellence in Community Awareness being given out at the Fall Convocation Ceremony. However, the timing of awards may vary, based on the availability of the recipient.

The Committee also approved the establishment of a subcommittee, chaired by the Vice-President, Research and Innovation, to review the nominations for the Erica and Arnold Rogers Award for Excellence in Research, and a second subcommittee, chaired by the Provost and Vice-President Academic, to review the nominations for the Clifford J. Robson Memorial Award for Teaching Excellence. These subcommittees will be advisory to the Faculty and Staff Awards Committee.
