COURSE DESCRIPTION

This course is intended for those who are interested in understanding the art and business of Canadian motion picture production from the perspective of the producer. It will take you through several stages of independent production including concept development, financing, production, post-production and distribution. Specific attention will be paid to building the creative team, project development, marketing, finance and funding, legal and insurance issues, as well as business affairs.

VOLUNTARY WITHDRAWAL DATES

The voluntary withdrawal dates for this term, without academic penalty, is:

Please note that withdrawing before the VW date does not necessarily result in a fee refund.

STUDENT PARTICIPATION POLICY

Theatre & Film are communal art forms in which a number of interdependent artists and crafts people co-operate to create a work of art. This fact is necessarily transferred to the learning situation, and is reflected in many of the Department's courses. Consequently, it is the Department's policy that students are required to: complete homework such as reading, line-learning, script analysis, prop lists, design drawings, etc.; attend classes; attend rehearsals, meetings or shoots both within and outside of class times; and, in short, exhibit commitment towards the inevitably shared endeavours of our field of study.

Any student failing to fulfil these requirements is harmful to the progress of dedicated students and may, after due warning, be asked to withdraw from any individual Departmental course.

COURSE CONTENT NOTE

Dramatic Literature depicts a wide variety of human action, both elevated and base, public and private, physical and psychological, sexual and non-sexual, etc. The Department of Theatre and Film will not undertake to censor the subject matter of dramatic works.

Students who have concerns about dealing with the full range of content and style in drama/film are urged to discuss these concerns with the course instructor.

KNOW YOUR RIGHTS

Human Rights and Diversity

All students are encouraged to visit the University's Human Rights and Diversity website (<https://www.uwinnipeg.ca/respect/index.html>) to familiarize yourself about your rights, the University's policies, and resources in place to support you. This site includes links to the University's Sexual Violence Policy and Procedures (<https://www.uwinnipeg.ca/respect/sexual-violence-policy-and-procedures.html>), as well as resources for getting and providing support and clear steps for disclosing or reporting sexual violence.

Sexual Violence Resources on Campus

From the UW Human Rights & Diversity website:

The University takes all disclosures and reports of sexual violence seriously; survivors of all backgrounds and experiences will be treated with dignity, respect, and care. If you have experienced sexual violence, there are trained staff to help you in whatever way suits you best."

Disclosing is telling a member of the UW Community that you have experienced sexual violence. This could be someone you trust or feel comfortable with, like a professor, coach, another staff person, or a member of the Sexual Violence Response Team (**SVRT**). A disclosure can be made in order to receive support, accommodation, or to be connected to other resources. The Sexual Violence Response Team

(SVRT) is a small team of specially trained, well-situated staff that coordinates and organizes services for survivors in a confidential manner. For example, if you personally do not feel comfortable talking to your professors about extensions or deferring work, they would be able to arrange changes for you without telling the professor why you need accommodation.

Contact SVRT by phone at 204-230-6660. [You can find more information on disclosing here.](#)
(<https://www.uwinnipeg.ca/respect/sexual-violence/get-support.html>)

Reporting is making a statement to the **Human Rights & Diversity Officer (HRDO)** with the intention of seeking remedy, sanction, or consequences through the university. Once a report is made, the **HRDO** will review your report and discuss your options. Your options could include an investigation process, or informal resolution (if you wish to resolve it without an investigation). The **HRDO** can still connect you with support, accommodation, or external organizations while the investigation is taking place.

You can contact the HRDO by phone at 204-988-7508 or by email at hrdo@uwinnipeg.ca.
You can report online here » (https://uwinnipeg.qualtrics.com/jfe/form/SV_4ONI2EP1gcXjyBv)

PUBLIC HEALTH CONSIDERATIONS

A permitted or necessary change in mode of delivery may require adjustments to important aspects of course outlines, like class schedule and the number, nature, and weighting of assignments and/or exams.

Should public health and university regulations require it, the schedule and content of the course may be subject to change on short notice. Every effort will be made to inform students of these changes, to deliver the course content in the best way possible under the circumstances, and to evaluate students fairly.

HEALTH AND ACCESSIBILITY SERVICES

Life happens to everyone. If you are experiencing a crisis in your life, or if you have a physical or mental health issue, communicate with your Professor or Accessibility Services – let us know so we can provide support or direct you to those who can. The earlier we know, the earlier we can discuss what resources might be available. Students with documented disabilities, or temporary or chronic medical conditions requiring academic accommodations for tests/exams/presentations (e.g., private space or more time) or during lectures/labs (e.g., note-takers) are encouraged to contact Accessibility Services (AS) at 204-786-9771 or accessibilityservices@uwinnipeg.ca to discuss appropriate options. All information about a student's disability or medical condition remains confidential. If you are registered with Accessibility Services, do not assume that Accessibility Services (AS) has informed your instructor that you have registered with them. Please see <http://www.uwinnipeg.ca/accessibility>. If you do not register with AS, you cannot be granted special consideration (e.g. extra time to write exams/tests, attendance issues because of physical or mental health conditions, etc.).

The University of Winnipeg promotes a scent-free environment. Please be respectful of the needs of your fellow classmates and your instructor by avoiding the use of scented products while attending on-campus lectures and labs. Exposure to perfumes and other **scented products (such as lotion)** can trigger serious health reactions in persons with asthma, allergies, migraines or chemical sensitivities. We are asking for your cooperation to create a scent-free environment **on campus** by students, faculty and staff.

Students will also be given the option to turn off their cameras/microphones and use pseudonyms to remain anonymous (except where class participation is required).

GENERAL NOTES

- **Students should check their UWinnipeg e-mail addresses daily as this is the most direct way instructors and the University will contact students regarding such things as important information about health and safety, policies and registration, and Faculty will contact you about changes to class schedules, cancelled classes, etc.**
- **This course outline should be considered a guideline only. Time constraints and other unforeseen factors may require that some topics be omitted or covered in less detail than indicated.**
- Archival records such as video/sound recordings and photographs may be made or taken during class or lab times. The University uses such materials primarily for archival, promotional, and teaching purposes. Promotional use may include display at open houses or conferences, or use in advertising, publicity, or brochures. In reading and accepting the terms in this course outline, students acknowledge consent for such use by the University. Should a student not wish to convey such consent, they should withdraw from this course immediately.
- Unless necessary for accessing class, cellular phones should be turned off during classes and examinations. Texting is not permitted in class.
- Any student attending a test or final examination may be required to present proof of identity; photo identification is preferred.
- It is the student's responsibility to retain a paper or digital copy of **ALL** assignments submitted for grading; in the event of loss or theft, a duplicate copy is required.
- When it is necessary to cancel a class due to exceptional circumstances, instructors will make every effort to inform students via UWinnipeg webmail (and/or using the preferred form of communication, as designated by the instructor), as well as the Departmental Assistant and Chair/Dean. ***Students are***

reminded that they have a responsibility to regularly check their UWinnipeg e-mail addresses to ensure timely receipt of correspondence from the university and/or their course instructors.

- Students may choose not to attend classes or write examinations on holydays of their religion, but they must notify their instructors at least two weeks in advance. Instructors will then provide opportunity for students to make up work or examinations without penalty. A list of religious holidays can be found in the 2023-24 Undergraduate Academic Calendar: <https://www.uwinnipeg.ca/academics/calendar/docs/important-notes.pdf>
 - Students with documented disabilities, temporary or chronic medical conditions, requiring academic accommodations for tests/exams or during lectures/laboratories are encouraged to contact Accessibility Services (AS) at 204.786.9771 or <https://www.uwinnipeg.ca/accessibility-services/> to discuss appropriate options. All information about a student's disability or medical condition remains confidential.
 - Reference to the appropriate items in the Regulations & Policies section of the *Course Calendar*, including Senate appeals and academic misconduct (e.g. plagiarism, cheating) <https://www.uwinnipeg.ca/academics/calendar/docs/regulationsandpolicies.pdf>. Instructors should become familiar with the procedures for dealing with alleged academic misconduct at <https://www.uwinnipeg.ca/policies/docs/procedures/academic-misconduct-procedures.pdf> and <https://www.uwinnipeg.ca/policies/docs/policies/academic-misconduct-policy.pdf>
 - All students, faculty and staff have the right to participate, learn, and work in an environment that is free of harassment and discrimination. The UW Respectful Working and Learning Environment Policy may be found at <https://www.uwinnipeg.ca/respect/>.
 - **Regulations, Policies, and Academic Integrity.** Students are encouraged to familiarize themselves with the Regulations and Policies found in the University Academic Calendar at <https://www.uwinnipeg.ca/academics/calendar/docs/regulationsandpolicies.pdf>. Particular attention should be given to subsections 8 (Student Discipline), 9 (Senate Appeals), and 10 (Grade Appeals). Please emphasize the importance of maintaining academic integrity and the potential consequences of engaging in plagiarism, cheating, and other forms of academic misconduct. Even unintentional plagiarism is a form of academic misconduct. Similarly, uploading essays and other assignments to essay vendor or trader sites (filesharing sites that are known providers of essays for use by others who submit them to instructors as their own work) is a form of misconduct, as it involves aiding and abetting plagiarism. An updated and expanded U of Winnipeg library site outlining principles of Academic Integrity can be found at <https://library.uwinnipeg.ca/use-the-library/help-with-research/academic-integrity.html>.
- Important information is outlined in the Academic Misconduct Policy and Procedures: <https://www.uwinnipeg.ca/policies/docs/policies/academic-misconduct-policy.pdf> and <https://www.uwinnipeg.ca/policies/docs/procedures/academic-misconduct-procedures.pdf>.
- **Academic Integrity and AI Text-generating Tools.** Students must follow principles of academic integrity (e.g., honesty, respect, fairness, and responsibility) in their use of material obtained through AI text-generating tools (e.g., ChatGPT, Bing, Notion AI). If an instructor prohibits the use of AI tools in a course, students may face an allegation of academic misconduct if using them to do assignments. If AI tools are permitted, students must cite them. According to the MLA (<https://style.mla.org/citing-generative-ai/>), "you should:

- a. cite a generative AI tool whenever you paraphrase, quote, or incorporate into your own work any content (whether text, image, data, or other) that was created by it
- b. acknowledge all functional uses of the tool (like editing your prose or translating words) in a note, your text, or another suitable location
- c. take care to vet the secondary sources it cites”

If students aren't sure whether or not they can use AI tools, they should ask their professors.

- **Respectful Learning Environment.** Students are expected to conduct themselves in a respectful manner on campus and in the learning environment irrespective of platform being used. Behaviour, communication, or acts that are inconsistent with a number of UW policies could be considered non-academic misconduct. See the Respectful Working and Learning Environment Policy (<https://www.uwinnipeg.ca/respect/respect-policy.html>) and Acceptable Use of Information Technology Policy (<https://www.uwinnipeg.ca/policies/docs/policies/acceptable-use-of-information-technology-policy.pdf>). More detailed information is outlined in the Non-Academic Misconduct Policy and Procedure: <https://www.uwinnipeg.ca/policies/docs/policies/student-non-academic-misconduct-policy.pdf> and <https://www.uwinnipeg.ca/policies/docs/procedures/student-non-academic-misconduct-procedures.pdf>
- **Copyright and Intellectual Property.** Course materials are the property of the instructor who developed them. Examples of such materials are course outlines, assignment descriptions, lecture notes, test questions, and presentation slides—irrespective of format. Students who upload these materials to filesharing sites, or in any other way share these materials with others outside the class without prior permission of the instructor/presenter, are in violation of copyright law and University policy. Students must also seek prior permission of the instructor/presenter before, for example, photographing, recording, or taking screenshots of slides, presentations, lectures, and notes on the board. Students found to be in violation of an instructor's intellectual property rights could face serious consequences pursuant to the Academic Misconduct or Non-Academic Misconduct Policy; such consequences could possibly involve legal sanction under the Copyright policy <https://copyright.uwinnipeg.ca/basics/copyright-policy.html>
- **Research Ethics.** Students conducting research interviews, focus groups, surveys, or any other method of collecting data from any person, including a family member, must obtain research ethics approval before commencing data collection. Exceptions are research activities done in class as a learning exercise. For submission requirements and deadlines, see <https://www.uwinnipeg.ca/research/ethics/human-ethics.html>
- **Privacy.** Students should be reminded of their rights in relation to the collecting of personal data by the University (<https://www.uwinnipeg.ca/privacy/admissions-privacy-notice.html>), especially if Zoom is being used for remote teaching (<https://www.uwinnipeg.ca/privacy/zoom-privacy-notice.html>) and testing/proctoring (<https://www.uwinnipeg.ca/privacy/zoom-test-and-exam-proctoring.html>)
- The University of Winnipeg affirms the importance of student mental health and our commitment to providing accessible, culturally appropriate, and effective services for students. Students who are seeking mental health supports are encouraged to reach out to the Wellness Centre at studentwellness@uwinnipeg.ca or 204.988.7611.
