### STUDENT PARTICIPATION POLICY & COURSE CONTENT

Theatre & Film are communal art forms in which a number of interdependent artists and crafts people cooperate to create a work of art. This fact is necessarily transferred to the learning situation, and is reflected in many of the Department's courses. Consequently, it is the Department's policy that students are required to: complete homework such as reading, line-learning, script analysis, prop lists, design drawings, etc.; attend classes; attend rehearsals, meetings or shoots both within and outside of class times; and, in short, exhibit commitment towards the inevitably shared endeavours of our field of study.

Any student failing to fulfil these requirements is harmful to the progress of dedicated students and may, after due warning, be asked to withdraw from any individual Departmental course.

#### **COURSE CONTENT NOTE**

Dramatic Literature depicts a wide variety of human action, both elevated and base, public and private, physical and psychological, sexual and non-sexual, etc. The Department of Theatre and Film will not undertake to censor the subject matter of dramatic works.

Students who have concerns about dealing with the full range of content and style in drama/film are urged to discuss these concerns with the course instructor.

# **PUBLIC HEALTH CONSIDERATIONS**

A permitted or necessary change in mode of delivery may require adjustments to important aspects of course outlines, like class schedule and the number, nature, and weighting of assignments and/or exams.

Should public health and university regulations require it, the schedule and content of the course may be subject to change on short notice. Every effort will be made to inform students of these changes, to deliver the course content in the best way possible under the circumstances, and to evaluate students fairly.

### **GENERAL NOTES**

- Students should check their UWinnipeg e-mail addresses daily as this is the most direct way
  instructors and the University will contact students regarding such things as important information
  about health and safety, policies and registration, and Faculty will contact you about changes to
  class schedules, cancelled classes, etc.
- This course outline should be considered a guideline only. Time constraints and other unforeseen factors may require that some topics be omitted or covered in less detail than indicated.
- Archival records such as video/sound recordings and photographs may be made or taken during class
  or lab times. The University uses such materials primarily for archival, promotional, and teaching
  purposes. Promotional use may include display at open houses or conferences, or use in advertising,
  publicity, or brochures. In reading and accepting the terms in this course outline, students
  acknowledge consent for such use by the University. Should a student not wish to convey such
  consent, they should withdraw from this course immediately.
- Unless necessary for accessing class, cellular phones should be turned off during classes and examinations. Texting is not permitted in class.
- Any student attending a test or final examination may be required to present proof of identity; photo identification is preferred.
- It is the student's responsibility to retain a paper or digital copy of <u>ALL</u> assignments submitted for grading; in the event of loss or theft, a duplicate copy is required.
- When it is necessary to cancel a class due to exceptional circumstances, instructors will make every
  effort to inform students via UWinnipeg webmail (and/or using the preferred form of communication,
  as designated by the instructor), as well as the Departmental Assistant and Chair/Dean. Students are
  reminded that they have a responsibility to regularly check their UWinnipeg e-mail addresses to
  ensure timely receipt of correspondence from the university and/or their course instructors.
- Students may choose not to attend classes or write examinations on holydays of their religion, but they must notify their instructors at least two weeks in advance. Instructors will then provide opportunity for students to make up work or examinations without penalty. A list of religious holidays can be found in the 2023-24 Undergraduate Academic Calendar:

  https://www.uwinnipeg.ca/academics/calendar/docs/important-notes.pdf
- Students with documented disabilities, temporary or chronic medical conditions, requiring academic
  accommodations for tests/exams or during lectures/laboratories are encouraged to contact
  Accessibility Services (AS) at 204.786.9771 or <a href="https://www.uwinnipeg.ca/accessibility-services/">https://www.uwinnipeg.ca/accessibility-services/</a> to
  discuss appropriate options. All information about a student's disability or medical condition remains
  confidential.
- Reference to the appropriate items in the Regulations & Policies section of the Course Calendar, including Senate appeals and academic misconduct (e.g. plagiarism, cheating)

https://www.uwinnipeg.ca/academics/calendar/docs/regulationsandpolicies.pdf. Instructors should become familiar with the procedures for dealing with alleged academic misconduct at <a href="https://www.uwinnipeg.ca/policies/docs/procedures/academic-misconduct-procedures.pdf">https://www.uwinnipeg.ca/policies/docs/policies/academic-misconduct-policy.pdf</a>

- All students, faculty and staff have the right to participate, learn, and work in an environment that is
  free of harassment and discrimination. The UW Respectful Working and Learning Environment Policy
  may be found at <a href="https://www.uwinnipeg.ca/respect/">https://www.uwinnipeg.ca/respect/</a>.
- Regulations, Policies, and Academic Integrity. Students are encouraged to familiarize themselves with the Regulations and Policies found in the University Academic Calendar at https://www.uwinnipeg.ca/academics/calendar/docs/regulationsandpolicies.pdf. Particular attention should be given to subsections 8 (Student Discipline), 9 (Senate Appeals), and 10 (Grade Appeals). Please emphasize the importance of maintaining academic integrity and the potential consequences of engaging in plagiarism, cheating, and other forms of academic misconduct. Even unintentional plagiarism is a form of academic misconduct. Similarly, uploading essays and other assignments to essay vendor or trader sites (filesharing sites that are known providers of essays for use by others who submit them to instructors as their own work) is a form of misconduct, as it involves aiding and abetting plagiarism. An updated and expanded U of Winnipeg library site outlining principles of Academic Integrity can be found at <a href="https://library.uwinnipeg.ca/use-the-library/help-with-research/academic-integrity.html">https://library.uwinnipeg.ca/use-the-library/help-with-research/academic-integrity.html</a>.

Important information is outlined in the Academic Misconduct Policy and Procedures: <a href="https://www.uwinnipeg.ca/policies/docs/policies/academic-misconduct-policy.pdf">https://www.uwinnipeg.ca/policies/docs/policies/docs/procedures/academic-misconduct-procedures.pdf</a>. and <a href="https://www.uwinnipeg.ca/policies/docs/procedures/academic-misconduct-procedures.pdf">https://www.uwinnipeg.ca/policies/docs/procedures/academic-misconduct-procedures.pdf</a>.

- Academic Integrity and AI Text-generating Tools. Students must follow principles of academic integrity (e.g., honesty, respect, fairness, and responsibility) in their use of material obtained through AI text-generating tools (e.g., ChatGPT, Bing, Notion AI). If an instructor prohibits the use of AI tools in a course, students may face an allegation of academic misconduct if using them to do assignments. If AI tools are permitted, students must cite them. According to the MLA (<a href="https://style.mla.org/citing-generative-ai/">https://style.mla.org/citing-generative-ai/</a>), "you should:
  - a. cite a generative AI tool whenever you paraphrase, quote, or incorporate into your own work any content (whether text, image, data, or other) that was created by it
  - b. acknowledge all functional uses of the tool (like editing your prose or translating words) in a note, your text, or another suitable location
  - c. take care to vet the secondary sources it cites"

If students aren't sure whether or not they can use AI tools, they should ask their professors.

Respectful Learning Environment. Students are expected to conduct themselves in a respectful manner on campus and in the learning environment irrespective of platform being used. Behaviour, communication, or acts that are inconsistent with a number of UW policies could be considered non-academic misconduct. See the Respectful Working and Learning Environment Policy (<a href="https://www.uwinnipeg.ca/respect/respect-policy.html">https://www.uwinnipeg.ca/respect/respect-policy.html</a>) and Acceptable Use of Information Technology Policy (<a href="https://www.uwinnipeg.ca/policies/docs/policies/acceptable-use-of-information-technology-policy.pdf">https://www.uwinnipeg.ca/policies/docs/policies/acceptable-use-of-information-technology-policy.pdf</a>). More detailed information is outlined in the Non-Academic Misconduct Policy and Procedure:

<a href="https://www.uwinnipeg.ca/policies/docs/policies/student-non-academic-misconduct-policy.pdf">https://www.uwinnipeg.ca/policies/docs/procedures/student-non-academic-misconduct-procedures.pdf</a>

- Copyright and Intellectual Property. Course materials are the property of the instructor who developed them. Examples of such materials are course outlines, assignment descriptions, lecture notes, test questions, and presentation slides—irrespective of format. Students who upload these materials to filesharing sites, or in any other way share these materials with others outside the class without prior permission of the instructor/presenter, are in violation of copyright law and University policy. Students must also seek prior permission of the instructor/presenter before, for example, photographing, recording, or taking screenshots of slides, presentations, lectures, and notes on the board. Students found to be in violation of an instructor's intellectual property rights could face serious consequences pursuant to the Academic Misconduct or Non- Academic Misconduct Policy; such consequences could possibly involve legal sanction under the Copyright policy https://copyright.uwinnipeg.ca/basics/copyright-policy.html
- Research Ethics. Students conducting research interviews, focus groups, surveys, or any other method
  of collecting data from any person, including a family member, must obtain research ethics approval
  before commencing data collection. Exceptions are research activities done in class as a learning
  exercise. For submission requirements and deadlines, see
  https://www.uwinnipeg.ca/research/ethics/human-ethics.html
- Privacy. Students should be reminded of their rights in relation to the collecting of personal data by
  the University (<a href="https://www.uwinnipeg.ca/privacy/admissions-privacy-notice.html">https://www.uwinnipeg.ca/privacy-notice.html</a>), especially if
  Zoom is being used for remote teaching (<a href="https://www.uwinnipeg.ca/privacy/zoom-privacy-notice.html">https://www.uwinnipeg.ca/privacy/zoom-privacy-notice.html</a>) and testing/proctoring (<a href="https://www.uwinnipeg.ca/privacy/zoom-test-and-exam-proctoring.html">https://www.uwinnipeg.ca/privacy/zoom-test-and-exam-proctoring.html</a>)
